

Occupational Therapy & Parent Support: A Sensory Perspective

The Occupational Therapy & Parent Support workshop is designed to better help you understand the Occupational Therapy role, and what the assessment and intervention process might look like.

For parents and carers of children aged 0-11 years living in Cardiff and the Vale only on the Neurodevelopment waiting list. The session is for adults only.

Workshop Aims

We will briefly explore your child's sensory differences and the impact on behaviour and their everyday life.

We will provide practical strategies that will help to support your child in this busy, sensory filled world.

Location : Online Zoom

When : Thursday 3rd April 2025

Time : 11:30am-12:30pm

This session is free of charge but please book a place via Eventbrite using the QR code or this link:
